Agrozen Labs provides COA's based on samples received into our facility and analysis according to our SOP's. Tests are completed at our certified testing laboratory through the State of Indiana by certified laboratory technicians. Reference standards and test samples are measured against submitted samples to ensure testing accuracy. Agrozen Labs has generated the information for our client who reserves all rights to the report. The report may not be duplicated, except in full, or altered without written consent from Agrozen Labs.
